

PROTECTING YOU, IS PROTECTING THOSE AROUND YOU!

DOUGLAS COUNTY EMPLOYEES

GET YOUR FREE FLU SHOT!

Over the last 6 months COVID-19 has affected all of us in one way or another. It is very important that we use the necessary precautions to protect us from contracting this virus. We can do this in numerous ways: washing our hands, wearing a face covering, social distancing, and soon vaccination. The flu is another virus where all these precautions work, and vaccination is readily available.

The Influenza vaccine is one preventive measure you can take for yourself as well as those around you, to keep from contracting the flu and its harsh symptoms. Below is a link to the CDC where you can find more information on how to keep you and your family protected:

<https://www.cdc.gov/flu/season/faq-flu-season-2020-2021.htm>

This year, Flu Clinics will be held at the following locations:

Civic Center: 1819 Farnam Street, Downtown location, October 9, 2020

Douglas County Health Department: 1111 S. 41st Street, Midtown location, October 2, 2020

Douglas County Sheriff's: 3601 N. 156th Street, West location, October 7, 2020

More information to come. We hope to see you at the Douglas County Annual Flu Clinics. **And please remember, protecting you, is protecting those around you.**

Brought to you by
the Douglas County Health Department and Healthy Directions
